

Tournament Format Proposal
October 2, 2006

After beating it around in my head for a while, I would like to have input on the following:

In the Event that we have less than 4 teams in an age group I would propose that that group be designated as a Round Robin/Friendly age group.

If approved, Beginning with the Fiesta Round Robin, the following would apply.

If 2 teams entered in age group, Schedule would consist of two games on Saturday and two Games on Sunday at a fee of \$35 per game per team

If three teams entered, one round of games will be played Saturday and Sunday at cost of \$35 per game, per team at cost of \$35 per game.

Teams will be offered the following options:

With 2 teams entered, Option to have 3 games on Saturday and/or 3 games on Sunday. Both must agree to change.

With 3 Teams entered, Option to play additional round of Games on Saturday, Making it 4 on Saturday and 2 on Sunday if all agree. If 2 agree, schedule would be 3 Games on Saturday for Two Teams in agreement and 2 Games on Sunday for all.

Additional Option would be to have Individual awards at a cost of \$5 per Player, not sure if we should make awards part of this but thinking that this would give the girls the feeling that they did participate in the tournament. Engraving on those Individual awards would read, "Tournament Finalist"

Teams would be offered refund or credit for difference in entry fee and charges

This is assuming that I have agreement from Scheduler and trophy provider on their fees.

Your timely input is solicited to assist in the finale decision.

Thanks
